I liked the situation I  
picked because in the end  
I ~~had~~ picked an event that  
was traumatic for some time after it happened.  
But that I had not thought of  
for years. —

So I chose it to see what I  
retained & what the interview  
would pull back.

In some ways I would have  
liked to pull a more ~~general~~

general — chronic problem that  
may not seem traumatic but is greatly  
impacting me. Though one hour seemed  
insufficient .... so I choose the quick one.

So For future classes —  
maybe offer the PEI doesn't need  
to be a singular traumatic event.

BUT EITHER WAY — So So So Good.  
Thank you for what you do.

I'd Love to BE HIRED BY FETI !!  
& BE A FETI instructor 😊 That's my  
new goal.
