ABOUT THE PRESENTATION

Orientation to the Forensic Experiential Trauma Interview (FETI®)

A virtual introduction to the FETI Interviewing Methodology

SYNOPSIS

On behalf of Trinity Health of New England and Certified FETI, we are proud to present, 'Orientation to the Forensic Experiential Trauma Interview (FETI®).' This 4-hour presentation will give you an introductory understanding of the FETI Interviewing Methodology.

What is the FETI Interviewing Methodology?

FETI provides interviewers with a science-informed interviewing framework that maximizes opportunities for information collection and accurately documents the participant's experience in a neutral, equitable, and fair manner.

FETI is utilized by professionals who interview in capacities where maximizing opportunities for information is essential such as healthcare workers, law enforcement, advocates, prosecutors, etc.

If you have any questions, please send them to Lisa Murphy-Cipolla at lisa.murphycipolla@trinityhealthofne.org
